Modern Dairy Farm Management Training Programme

The unique courses designed, developed, and offered by **Krishi Vigyan Kendra, Baramati** in partnership with **DeLaval** is an operational form of the following philosophy about leading and managing Dairy Farm :

- Managerial effectiveness is enhanced if the managerial competence and skill development activity is viewed in the perspective of the total dairy farm.
- Farm productivity, effectiveness and development is facilitated if dairy farm managers are exposed to learning opportunities and situations that simulate decision-making, diversity of perspectives and activities, and responsibilities of teams.

For Whom

The program is designed to meet the developmental needs of dairy farmers / managers. Kindly note that the medium of instruction is **English**.

Objectives

The objectives of the programme are to allow participants to explore and develop insights about successful running of a modern dairy farm.

Contents

The programme is divided into several interdependent modules each of which focuses on a different aspect or function of Modern Dairy Farm management.

Details of programme is available at below link

Broadly the programme will focus on the following modules:

1. Selection of Dairy cow & buffaloes
2. Design & Planning of a commercial dairy farm
3. Housing management and cow comfort for improved productivity
4. Nutritional management and feeding a dairy cow / buffalo for maximizing profits
5. Intensive fodder production
6. Silage making
8. Total Mixed Ration
9. Mechanization at Dairy Farm : Milking Machines and Parlors
10. Reproduction in cattle & buffalo & reproductive disorders in dairy animals
11. Preventive health care against important diseases of cattle and buffaloes
12. Introduction to milk Processing Equipments
13. Economics of Commercial Dairy Farming
14. Key Performance Indicators in Herd Management

Pedagogy and Learning Environment

A mix of pedagogical tools will be used – discussions, presentations, audio-visuals, and experiential exercises.

Krishi Vigyan Kendra, Baramati provides an excellent learning ecosystem which includes diversity among the programme participants, and the faculty community residing in the campus.

Faculty

The programme will be offered by a team of faculty members with functional and cross-functional experience. All faculty members have high quality academic track record, teaching, research and exposure to Modern dairy farm problem solving situations. Distinguished leaders from organization and academics will be invited for interactions with the participants. The programme will be coordinated by Dr. Ramraje Patil.
