3. GENERAL TERMS AND CONDITIONS

3.1 STANDARDS

The Services rendered under this Contract shall conform to the standards mentioned in the Scope of contract and, when no applicable standard is mentioned, to the latest Indian Standards.

3.2 PATENT RIGHTS

The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark or industrial designs rights arising from use of the goods or any part thereof.

3.3 INSPECTION AND TESTS

The Purchaser or its representative shall have the right to inspect and/or test/verify the services/ goods to confirm their conformity to the Contract. The inspections and tests may be conducted on the premises of the Supplier or its Subcontractor(s) or at point of delivery and/or at the service/good's final destination.

If any inspected or tested services/goods fail to conform to the specifications, the Purchaser may reject them and the Supplier shall either replace the rejected services/goods or make all alternations necessary to meet specification requirements free of cost to the Purchaser.

The Purchaser's right to inspect, test, and, where necessary, reject services/goods after the services/goods' arrival at the destination shall in no way be limited or waived by reason of the goods having previously been inspected, tested and passed by the Purchaser or its representative prior to the services/Goods shipment from the country of origin.

3.4 ASSIGNMENT

The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the Purchaser's prior written consent. Such assignment shall not relieve the supplier from any liability or obligation under the contract.

3.5 APPROVAL & INSURANCE

The supplier shall obtain all the necessary legal approvals, and insurance if any. The damaged caused to our items/equipment during the execution of job shall be borne by the supplier.

3.6 JURISDICTION

Settlement of any dispute out of the Purchase Order / Contract against this Bid shall be subject to the courts at Jurisdiction Mehsana, Gujarat only.

3.7 PRICE BASIS

Price charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in its bid and the contract shall be on fixed price basis for the contract period. The Price quoted should be inclusive of

- Travelling/ conveyance charges to our Society and delivery of goods at our respective milk co-operative society including loading and unloading.
- Storage, removing of old worn out /burnt spares/ equipment including replacement of new spares/ equipment as per requirement.
- Packing and forwarding, GST whatever applicable,
- Transit insurance and freight (two way)

Price revision will not be allowed during contract period. Kindly note that bid rates will be remaining same throughout contract period irrespective of quantum of work (nos. of societies under your contract) or market price of raw material from your principal supplier.

3.8 ARC PERIOD

Contract will be for one year i.e. 01.09.2019 to 31.08.2020. or 12 months from contract start date which is earlier.

3.9 BID EVALUATION

The price bid will be evaluated together for all bid lines based on weighted overall lowest value of all bid lines together.

However, Purchaser may award contract for any option (Full Work / Part Work) at its sole discretion without assigning any reason.

3.10 DELIVERY AND DOCUMENTS

All the delivery of the services/goods should accompany with Original and three copies of:

- The supplier's invoice showing Purchase Order No., Goods/Service Description, Quantity, Unit price, Total amount etc.
- Delivery note / Packing list signed by our respective society /store's representative.
- Service Report duly signed by concerned authority.
- Manufacturer's / Supplier's Warranty Certificate where ever applicable.
- Any other document evidencing payment of statutory levies.
- Test certificates of Raw Material , where ever applicable

3.11 VARIATION IN ORDER AMOUNT /QUANTITY

The given quantity in our tender is only tentative.

Total Quantity & Amount may vary, while finalizing the order and / or while execution of the complete order. **Contract may be split up to different contractors in zone wise based upon their ability to render prompt & satisfactory services to society BMC units.**

3.12 PAYMENT TERMS

Bi-Monthly payment will be made to the contractor after satisfactory work has been carried out at the societies as per the scope of the job and certification is received from the concerned society as well as CMP in-charge.

Payment will be considered as per actual work done. I.e. in future any bulk cooling unit stops operating, same will be deleted from order and if new BCU is included after warranty period, the same unit rate of existing contract will be applicable for those also.

No payment will be released for part delivery or incomplete work.

1. SCOPE OF CONTRACT & SPECIFICATIONS

ANNUAL SERVICE / MAINTENANCE CONTRACT FOR BULK MILK COOLERS AT SOCIETIES

FOR THE PERIOD:- 01-09-2019 to 31-08-2020

BULK COOLER SOCIETIES (VILLAGES)- 701 NOS.

(A)Scope of work for Bulk Milk Cooler in AMC Bi-Monthly visit for Servicing

- I. Checking of refrigerant pressure, flow, leakages, temperature, and system ampere load.
- II. Checking for working of HP-LP Pressure switch, expansion valve and solenoid valves.
- III. To stop the leakages of refrigerant if any and if required the gas should be charged immediately at the contractors own risk and responsibility. If milk is sour due to unable for leakage repairing then contractor is responsible for sour milk.
- IV. In any accidental case if there is Gas leakage, first leakage is to be attended & then after taking commitment from the society, the Gas should be charged. However, the quantity of gas charged will be shown to the concerned society officials and record of the same shall be produced as evidence. Such incidents will be informed via a written note to the CMP In charge.
- V. To clean the fins of condensing units and condensing units as a whole.
- VI. To check the condenser fan and motor for vibration and tighten loosened nuts and bolts and rectify vibration.
- VII. If any part is found faulty, necessary spare parts will be supplied by the union and will be replaced by the contractor without any additional labor charges.
- VIII. Charges and responsibility of all required gases (accept Contractor's mistake) and motor rewinding will be in the scope of the societies.
- IX. To check Flow and efficiency of Milk pump and Honda Pump and Service of the same if required.
- X. To check the system efficiency and submit a format as designed by CMP in-charge along with work completion reports.
- XI. Besides the above the contractor will replace rubber nitrile gaskets in S.S pipeline unions at society cost to stop milk leakages. He shall bring to the notice of the union any other abnormalities like broken filter gaskets, gasket of weighing bowl valve, manhole gasket etc.

(B) Emergency visit,

Any emergency breakdown should be attended as per the below table.

Sl	Types of Problem	Maximum Time of Issue Resolution after complain Received .
1	BMC does not start or Stop working	01 Hour
2	Agitator Stop working.	24 Hours
3	Temperature Controller Issue	24 Hours
4	Milk Pump not working	24 Hours
5	Gas Leakage & More Cooling Time	24 Hours
6	Solenoid Valve not working	24 Hours
7	HPLP Switch & Timer not Working	24 Hours
8	MCB Related Issues	24 Hours
9	Stabilizer Related Issues	48 Hours
10	S.S. Fitting & Valves leakage issues	72 Hours
11	BMC Tank Leakage Issue	72 Hours

Repairing of cooling fan, rewinding of condenser fan motor, repairing of refrigerant pipe in case of leakages, flushing of gas pipes with Nitrogen gas, vacuum and gas charging activities etc, whatever is required in the refrigeration system will be carried out without any extra cost.

If any major breakdown occurs due to not reporting to site by the contractor with in time limit, appropriate penalty will be imposed by the union. The decision of the Union authority shall be final with regard to the amount of penalty imposed and it will be deducted from the contractor's bill without any pre-notification.

(C) SCOPE OF AMC:-

1. Your technician / mechanics shall visit each society once in every two month with prior intimation to society and Union representative and check the functioning of the all bmc parts like Milk tank, condenser, stabilizer, Panel board, input / output voltage Electrical wiring etc., and ensure that the equipment is functioning up to the desired standards.
2. Contractor have always use only ISI parts at all societies.
3. When there is any breakdown / failure of stabilizer , you will depute your service technician staff within 24 hours the time of intimation. No extra charge shall be paid for such emergency visits.
4. Whenever Variac or Bulk-boost Transformer is required to be replaced , you will inform to our CMP In charge and after his confirmation only you will replace these said parts.

5. You will maintain a service record of each stabilizer (regular and emergency) and refrigeration unit in the prescribed format as per mention in Gujarati language format for better understanding.
6. New BCU after its warranty period will be covered under this contract, the scope of work & rate will be the same as applicable to this AMC.
7. No charge will be paid to contractor, In case of long term (i.e more than two months) unused BMC due to low milk.

2. AMC GENERAL AND SPECIFIC TERMS & CONDITIONS

- a) The Service contractor will submit in advance the schedule for the visit date of each society.
- b) He shall intimate the same to the society secretary and Union representative in advance. In case there is a change in the planned date, he shall inform the same to the secretary of the society as well as CMP in-charge.
- c) The Service contractor will mention the actual dates of visit against the planned dates for visits.
- d) The Service contractor shall not carry out any other activity other than the purpose for which the contract is awarded. If any other activity such as selling goods to the society etc comes to the notice of the organization, the contract shall be terminated with immediate effect. The decision of Managing director shall be final in this regard and no excuses / explanations will be sought in this regard.
- e) The contract will be awarded to Service contractor for service of Bulk milk cooler system from list given in Annexure-A. Finally the area has been divided into different zones. Each zone will be awarded to separate service contractors. It will be decided by higher Authority of M.D.C.M.P.U. Ltd. However it may be increase or decrease as requirement of union.
- f) The Service contractor shall bring to the notice of CMP in-charge any wrong operational practices carried out by the society.
- g) If at any time, the organization receives complains regarding irregularities, unsatisfactory service etc, the contract shall be terminated.
- h) The Service contractor will visit the respective society before the expiry of warranty period along with Union representative so that the pending issues can be informed to the BCU supplier and the equipment condition can be assess.
- i) The Service contractor shall obey the guidelines / suggestions from the Union which are not mentioned in the Terms above. If at any time, the Union finds that the contractor is not following the given oral / written instructions to him, the Managing Director may terminate the service contract which shall be acceptable to the service contractor.
- j) During providing the service at the society, if any accident occurs to persons present at the site, the Service contractor will bear all expenses as per workman compensation act.
- k) If required by the organization, the service contractor shall agree to sign the terms of contract on stamp paper.
- l) If union requires Managing Director can extend or terminate the contract.
- m) If there is any controversial issue regarding the terms of the contract, the decision of the Managing Director shall be final and acceptable to the service contractor. The area of jurisdiction shall be Mehsana in case of legal disputes arising, if any.
- n) Legal deductions shall be made from the bill as per Government norms applicable at the time of billing.
- o) The service contractor must be maintaining ISO document for record at each society, as per ISO department requirement.
- p) In case of poor Service in BMC, the transportation cost of milk in cans will be deducted from contractor's bill.

q) The service contractor will strictly follow the terms mentioned above.

3. COMMERCIAL TERMS:

- 1) Bi-Monthly payment will be made to the contractor after satisfactory work has been carried out at the societies as per the scope of the job and certification is received from the concerned society as well as CMP in-charge.
- 2) Payment will be considered as per actual work done. I.e. in future any bulk cooling unit stops operating, same will be deleted from order and if new BCU is included after warranty period, the same unit rate of existing contract will be applicable for those also.

Invoices:-

AMC party will raise the invoices ,(along with the service/Maintenance reports signed & stamped by respective society with code no.), on “ Mehsana District Co-operative Milk Producers’ Union Ltd.” And submit to Head (Account) through Executive (BMC-CS) every two months and will be submitted in BMC department in before fixed date.

Note:

- (1) The contractor shall not in any case carry out direct billing and transaction at society level without the knowledge of CMP In-charge.
- (2) The contractor must get the GST Registration Number, VAT tin no in order to receive the payment towards spare parts replacement.

- **EMD: Contractor have to deposit Rs. 20,000/- as a EMD which will be refundable after successful completion of AMC period.**

The scope of work is mentioned in Gujarati for clearer understanding....
