DAIRY INDUSTRY CONFERENCE

Dairying for Health & Wealth

Indian Dairy Association (IDA) is the apex body of the dairy industry in India. IDA functions very closely with the dairy producers, professionals & planners, scientists & educationists, institutions and organizations associated with the development of dairying in India.

IDA has been providing a common forum to knit the dairy fraternity and has emerged as a platform for assimilation and dissemination of knowledge, as an important tool for policy making in the dairy sector, in India!

India, being an Agrarian Society since ages, always had a special role for milk & milk products in day to day life. Milk has always been considered a complete & nutritious food. Later, when agriculture has started giving diminishing returns, Dairying has become main economic activity and a source of livelihood for landless, small and marginal farmers. In fact now it has adopted both roles; 'of providing health as well as adding wealth'. So is the theme of this conference, i.e.

Dairying - For Health and Wealth

The 48th Dairy Industry Conference is being organized by Indian Dairy Association (North Zone) in association with Indian Dairy Association (Rajasthan State Chapter) during 20-22 February, 2020 at centrally located Birla Auditorium, of the beautiful and historic city Jaipur, which has its own spatiality and called 'Pink City'. Jaipur the capital of Rajasthan state was founded in 1727 by Maharaj Jai Singh II, who ruled Jaipur State from 1699-1744. Initially his capital was Amber, which lies at a distance of 11 km from Jaipur. He felt the need of shifting his capital city with the increase in population and growing scarcity of water. Jaipur is the first planned city of India and the King took great interest while designing this city of victory. He consulted several books on architecture and architects before making the layout of Jaipur.

Jaipur holds a distinct position among popular tourist places in India due to the immortal royal vibes that are an inseparable part of its existence. Among the major highlights of Jaipur: Amber Fort, Nahargarh Fort and Jaigarh Fort are the main attraction for tourist. Hawa Mahal or "The Wind Palace" is another major attraction in Jaipur that impresses spectators with its wonderful architecture and makes them take out their cameras. Among many other must-visit places in Jaipur, Albert Hall Museum, Jal Mahal, and Jantar Mantar hold special spots as every bit of them reflects the presence of royalness in this city.

Jaipur, a famous tourist destination, is particularly pleasant around that time and we assure you a pleasant stay with the famous rajasthani hospitality to make your visit to Jaipur a memorable one. Please mark your dates and registrar at earliest to be a part of this mega conference.

Looking forward to see you all in Jaipur.

About Jaipur

Jaipur is the capital of India's Rajasthan state. It evokes the royal family that once ruled the region and that, in 1727, founded what is now called the Old City, or "Pink City" for its trademark building color. At the center of its stately street grid (notable in India) stands the opulent, colonnaded City Palace complex. With gardens, courtyards and museums, part of it is still a royal residence.

Among the major highlights of Jaipur : Amber Fort, Nahargarh Fort and Jaigarh Fort are the main attraction for tourist. Albert Hall Museum, JalMahal, and JantarMantar hold special spots as every bit of them reflects the presence of royalty in this city.

JAIPUR SOUVENIRS

Shopping in Jaipur - Lehariya sari, bandhani work jaipur souvenirs, meenakari work jaipur souvenirs, kundan work, gem stones, ghevar - the quintessential jaipur mithai, choorma, puppets, block print home linen, jaipurirazai, jaipur blue pottery, lac bangles, jaipur rugs, rajasthani miniature paintings.

JAIPUR DARSHAN

Hawa Mahal: Hawa Mahal is a structure made of red and pink sandstone and has a pyramidal structure which almost resembles a crown. It has been embellished with 953 tiny windows, also known as 'Jharokhas' and embellished with gorgeous latticework. The top of the palace offers a brilliant view of the City Palace, Jantar Mantar and the ever-busy Siredeori Bazar. There is a small museum as well which holds some rich relics and miniature paintings.

Amer Fort: In the Pink City of Jaipur, cradled on the top of the Aravali Hill lies the Amer Fort, one of the most magnificent palaces in India. Also commonly known as the Amber Fort, this majestic building with its maze-like passages and serpentine staircases is an architectural masterpiece and with significant importance in Indian history

City palace: The magnificent City Palace in Jaipur is one of the most famous tourist attractions in the city. Built by Maharaja Sawai Jai Singh during the years 1729 to 1732, the vast complex of the palace occupied one-seventh of the walled city. The architecture of the City Palace will strike a sense of awe in you from the very beginning. The facade itself is designed with acute and detailed handiwork and showcases a blend of Mughal and Rajput architecture styles.

Nargarh Fort: Nahargarh Fort is located in the Pink City of Jaipur and is one of the many countless palaces and beautiful historic buildings that speak of the magnificent and rich history of this city. Embellished with delicate carvings and stonework, the Nahargarh Fort is an impregnable structure, that together with its two neighbouring forts - Amer and Jaigarh fort.
